EFFECT OF THE RESULT OF MISSIONS.

SUBSCRIBERS AT DR. MACARTHUR'S CHURCH DO-

CLARE THAT THEY WILL HAVE TO CUT
THEIR CONTRIBUTIONS IN TWO
IF BRYAN IS ELECTED.

There was a collection in Calvary Baptist Church yesterday for the benefit of city missions, and nearly \$3,000 was subscribed. These contributions, in most cases, were made on condition that McKinley should be elected President of the United States, but the contributors declared that if Bryan should be chosen they would cut the amount of their contributions one-half.

Dr. MacArthur, the pastor, said yesterday: "If you can't give \$100 for McKinley, you can't give \$50 for Bryan."

have had men who put down the money. If McKinley should be elected and \$50 in the event of his election. I think this is one of the most striking things that has happened during the whole of this campaign. These were business men, who understand the value of money, and they realized their full contributions are made conditional on the success of McKinley. I do not know the exact amount that was made conditional, but I am certain it was a very large sum. It was given under the conditions I mention. If Bryan is elected, you see, the missions will have their revenue cut one-half, and the cause of reform will be hampered and interfered with. This is one of the most potent arguments in favor of the election of McKinley that has come to my attention."

If you find a cold creeping on, keep a bottle of Dr. D. Jayne's Expectorant near at hand, and take a little of it occasionally. It will relieve at once, and soon bring about a cure.
