

While on a drive with my parents , I heard unusual music from the car radio, I don't know who performed the Bruckner 7th. Since then, I had it in the back of my mind. The real impact started with one performance.

Bruckner symphony # 9 conducted by Wilhelm Furtwangler. Then I started adding the Te Deum as the finale. After 7-9 under Furtwangler, I had to get the rest , and so it started in the early 70s.
