

Dear John

Further to the invitation by the Bruckner Discography Newsletter to list up to 5 Bruckner recordings which were instrumental in my lifelong association with Bruckner's music, here goes:

1. Symphony No 3 (1889 version) - Cleveland Orchestra/George Szell
2. Symphony No 4 (1880 version) - Columbia Symphony Orchestra/Bruno Walter
3. Symphony No 8 (1887 version, Ed Nowak) - Hamburg Staatskapelle/Eugen Jochum
4. Symphony No 9 - Vienna Philharmonic Orchestra/Zubin Mehta

Best wishes
